Virtual Learning Guide Points:

Students

- Check your email daily
- Check ItsLearning/Seesaw/Dojo or whatever program your teacher uses, daily
- Your teacher is able to see what you are doing and will take daily attendance
- **You do not have any homework during the week of Spring Break (March 23-27)**
- **Parents**
- K-5 grade students will need to be engaged for approximately 90 minutes daily in the completion of daily work including Reading, Writing, Math, Social Studies, and an Encore Class (physical education, music, art, science, guidance or library)
- GD Jones is a Wi-Fi hotspot. If you need to connect to the internet for Virtual Learning, you should be able to do this from the parking lot close to either of the handicapped parking spaces.
- If you are having difficulty connecting through your child's iPad, please contact your child's teacher. A listing of the classroom teachers and their emails are on the next page.
- **Attendance**
- To be marked present, students will need to participate through daily active engagement, communication, and submission of assigned work. Students may be asked to take a screenshot of completed work and email screenshots to teachers for submission.

STUDENTS AND PARENTS:

Please remember the appropriate use for iPads! They should be used for learning **ONLY**, not for messaging other students or social media.
~Ms. Franks
